About Lovense

Lovense is a consumer technology company in the sexual wellness space and a manufacturer of App controlled high tech sex toys, well known among both regular users and cam industry representatives.

Our competitive advantage lies in our intellectual property, we own and manage a portfolio of award-winning products (both hardware and software) and we have around 50 US, European and Asian patents. We are devoted to our users, and our customer base extends across North, Central and South Americas, Europe, Asia and Africa.

Exomoon

Bluetooth Secret Lipstick Bullet Vibrator

We have released the most discreet toy ever - mini lipstick vibrator Exomoon!

Exomoon can take your public play experience to a completely new level. Thanks to its design, no one will notice your tiny vibe that you can use "on the go". A must add-on toy to any sex toy collection. It doesn't matter if you've never bought a toy before or you have an entire mountain of them!

Amazing power to satisfy even the most intense vibration seekers.

Exomoon Features

Disguised Vibrator

Carry your secret vibrator in a purse of pocket and no one else will be the wiser...

Super Powerful

Amazing power to satisfy even the most intense vibration seekers.

Plenty of Ways to Use It

Stimulate nipples on a lowest vibration level for a slow solo session or an additional sensation during sex; stimulate your or your partner's inner thights, or let your clitoris experience Exomoon's power.
