Enjoy

Before using, we recommend applying water-based lube onto the stimulation head as well as onto your clit.

- 1 Grip ROMP Kiss between your index and middle finger.
- 2 Press and hold the power button for 2 seconds to activate ROMP Kiss.

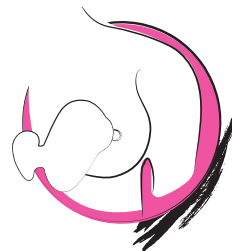

- 3 Position the stimulation head on your clit with light pressure. Explore your body and find the spot that feels good for you.
- 4 Briefly press the power button to cycle through 3 intensity levels ... and again... and again... just sit back and enjoy the ride.
- 5 Press and hold the power button for 5 secs to turn ROMP Kiss off.

Play ideas

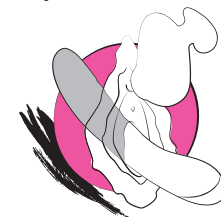

ROMP Kiss is designed to be played with by a couple or solo, whether it's a gentle tease or an earth-shaking climax... Need some inspiration? **Here are some play ideas to help you get in the mood...**

- 1 Use ROMP Kiss to stimulate nipples and inner thighs to tease and tantalize your partner - or yourself.

- 2 Use ROMP Kiss on your clit and ROMP Hype internal vibrator simultaneously for double the pleasure.
- 3 Your partner will enjoy using ROMP Kiss on you during sex, so hand over control and see where it takes you.
