# Custom Reviews

Precision oscillation delivers blended orgasms by stimulating both the clitoris and G-spot, with the heating function adding extra pleasure.

**Experienced Users**

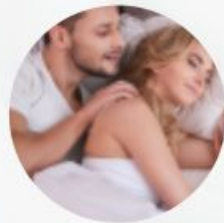

The first two gentle levels offer gentle experience to oscillating toys. With a 34mm max insertable width and flexible design, it's easy to stimulate both the G-spot and clitoris.

**Beginners**

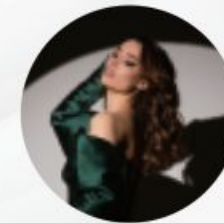

Quick heating and multiple stimulation options make it perfect for adding excitement to both close and long-distance intimacy, helping distant partners feel closer.

**Spice Up Relationships**

This versatile toy leads to faster, more intense orgasms and squirts, helping models earn more tips compared to the Osci 2.
